

Big Business 14 ReadMe

December 17, 2024

Welcome to Big Business 14!

Big Business 14 is a new Database, for new computers.
Big Business 14.179 adds BigBusiness 15 changes.
Not compatible with macOS Sequoia.

- **macOS Sonoma, Ventura, Monterey**
- **Microsoft Windows 11, Windows 10**
- **Windows Server 2022, 2019, 2016**

To **Update** from an earlier release of Big Business 14, download and install the new Big Business Server. Updating requires Support.

To **Upgrade** from an earlier version of Big Business, download and install the new Big Business Server. Then, install new Big Business Clients and connect. Upgrading requires Registration.

Notes

Big Business uses new installers.

Please email support@bigbusiness.com if you need help.
